

WHY POP TABS? (AND OTHER GOOD QUESTIONS)

Why pop tabs and not the whole can?

Pop tabs are clean and compact. Plus, they are easy for anyone to save.

How much is a pop tab worth?

Recyclers pay between \$0.40 and \$0.60 per pound of tabs. They are invaluable in the amount of community awareness they raise for the Ronald McDonald House® program.

How can my group begin collecting?

Call Ronald McDonald House Charities® of Jacksonville to let us know you're helping out. Then, just start collecting. You can drop your tabs off at the House at 824 Children's Way or at the Main Recycling Center at 1352 West Beaver Street. Let them know you're raising money for the Jacksonville Ronald McDonald House.

How is the pop tab money used?

The money we receive is used to directly support lodging, transportation and other support services for the families that need the House while their child receives medical care in Jacksonville. The families continually express their appreciation of the services your donations enable the Ronald McDonald House to provide.

Pop Tab Facts

One pound = 1,334 tabs

One foot = 12 tabs

One mile = 63,360 tabs

Thanks!

Your support and interest in the Ronald McDonald House program is fantastic! The House is 100% locally funded and operated. Every penny raised stays local, too!
